

Neighborhood Safety Night

The Panther Trace CDD Board of Supervisors sponsored the First Annual “Neighborhood Safety Night” May 15th with over 50 families participating in this special event. Hillsborough County Sheriff’s Department provided Fingerprinting and Identification Cards for over 60 eager Panther Trace kids. After eating pizza, jumping in the bounce house and viewing an “on the Safe Side” video, Deputy Jeff Service from the HC Sheriff’s Department gave a presentation on safety and addressed many neighborhood safety issues. Detective Joe Venero with the Sexual Offender Unit was there, as well as the new District 4 Commander John Marsicano, to answer resident concerns. Thanks to everyone who came out to make this event such a success.
